Fire Risk Assessment

The aim of this **Fire Risk Assessment** is to reduce the risks of fire and thus protect all users.

Hirers (whether they are regular users or private bookings) must conform to the rules contained in the Terms and Conditions of Hire (detailed below):

The Hirer acknowledges that they will familiarise themselves with:-

- *The action to be taken in event of fire. This includes calling the Fire Brigade and evacuating the hall.*
- *The location and use of fire equipment.*
- *Escape routes and the need to keep them clear.*
- *Method of operation of escape door fastenings.*
- *Assembly point is in Honey's Field*

In advance of any entertainment or play, the Hirer shall check the following items:-

- That all escape routes are free of obstruction and can be safely used
- That there are no fire hazards on the premises

Any problems associated with the above points should be raised with the Parish Clerk (01752 893691).

Fire Fighting Equipment Provided on the premises:-

Water extinguishers (2) = Class A fires, i.e. solids only, such as wood, paper and fabrics. Not suitable for Class B liquid fires, e.g. paraffin, petrol, oil fires or where electricity is involved. It works by cooling burning material.

CO2 extinguisher (1) = Fires caused by electrical equipment where electric current may be present. This fire extinguisher is ideal for fires involving electrical apparatus and Class B liquid fires, flammable liquids, petrol and spirits. CO2 does not cool and is not suitable for solids.

Extinguishers are serviced annually and visibly checked monthly by the Clerk.
