

FAO: Ermington Parish Council

Ermington Community Speed Watch Results

	LOCATION	OFFENDERS	COUNTED
11/8/23	Up Town Hill	11	86
18/8/23	Up Town Hill	13	117
14/9/23	Emewood (NE)	4	204
22/9/23	Up Town Hill	19	122
22/9/23	Bunkers Hill(S)	0	27
6/10/23	SHDC car park (NE)	0	115
13/10/23	Up Town Hill	5	55
20/10/23	Mill Hill (NE)	4	97

Addendum:

27/10/23	Up Town Hill	15	103
3/11/23	Skate Park	2	85

From memory: Highest speed: up Town Hill 31mph

Notes:

1. Application for site at Plantation House- both ways; useful if/when 40mph zone down to 30mph.
2. Speed bumps NE out of village deter speeding (unless you are an idiot!)
3. Current 40mph limit on A1321 (NE) is generally adhered to (still not safe for pedestrians)
4. Town Hill is an issue (solutions?). ECSW needs to work out an efficient system for recording down Town Hill.
5. Times of sessions were either 2pm to 3pm or 3pm to 4pm , generally on a Friday.
6. Dorset CC's 'Traffic in Villages Safety and Civility for Rural Roads A toolkit for communities' has been circulated to ECSW for thoughts.

Ermington CSW

Site analysis

Up Town Hill

Speeders

Not seeing signs and only slowing at flashing detector.

Margaret's Drive / ERHEWOOD

Few speeders at 40mph limit.

Be interested to see what happens at 30mph new limit. New site permissions in process for new site on grass outside Plantation House. A 2 in 1 site as traffic can be monitored both ways at separate times.

SHDC car park.

Coming out of the village. Very few speeders

Speed bumps slow down

Max speed between bumps less than 21mph

War memorial

Some speeding after speed bump downhill towards junction. Difficult to record.

Skateboard Park

Minimal speeding at current 40 mph. Will become interesting if/when limit reduced to 30mph

Mill Hill (in between speed bumps)

Only idiots would speed coming up dip to first speedbump out of village, but some do! (4 out of 97).

Not easy to record vehicles coming up dip past 'First and Last' – usually recorded at the last minute.
